### 309.3. Matters Arising

### 309.4. TOPICS

#### a). Police Matters.

There was no report. Craig is determining if a Police presence at meetings will resume. The CC deeply regretted the failure of the police to send in reports nor attend meetings which had been so successful in the past.

There have been incidents of prowlers in local gardens and property been stolen. Also, hare and deer coursing have been observed in the area. Be vigilant and report anything suspicious to **Police Scotland** on **101** or **Crimestoppers** (anonymously) on **0800 555 111**.

#### b). Road/Traffic Matters

Vehicles are still travelling at excessive speed on The Brae and through Eastfield. If you observe any incident, take registration number(s) and report drivers to the police who continue to monitor vehicle in these areas. The Council will be asked to renew the SLOW signs (on the road) at Eastfield.

#### c). TACTRAN / STPR/NPF2.

Nothing to report

#### d) TAYplan

Linda has prepared a response to TAYplan concerning their reference (in the Proposed Strategic Development Plan) to a Proposed A90 upgrade with route options shown on a map. This is misleading as TACTRAN has only ever listed the project to upgrade the A90 through or around Dundee. No specific routes have ever been suggested. It was agreed to submit this response.

#### e). Angus Local Development Plan

Nothing to report

#### f). Community Communication

Angus Council have decided to hold a Pre-election event on Thu 18<sup>th</sup> June instead of a bi-annual meeting with community councils, (the election date for community councils is in October this year). The minutes of this meeting will be circulated when received.

- a) It was agreed to support the funding for the purchase of a 2<sup>nd</sup> hand marquee for the Sports Committee.
- b) Dog walkers are leaving dog mess on the Wally Wynd path instead of “flicking” it off the path. A sign will be erected to ask people to comply.
