Roll out of Kerbside Recycling

A public meeting will be held on April 17th at 7pm in Auchterhouse Hall prior to the start of the Community Council regular meeting. An officer from Angus Council will explain and answer questions on the proposed roll out in June/July 2014.

Thanks to Bob Bruce

As we start a new era for the Argus, our community newsletter, the Community Council members wish to express our very grateful thanks to Bob - our long time and very dedicated editor. Bob began compiling and printing the Argus in 1996 for monthly distribution round the community. The advent of emails made circulation easier for those who delivered it to each household but Bob's work in compiling the Argus did not diminish!

The Argus became such an institution that often little thought was given to the amount of time and effort that Bob put in to the publication over the past decades. It was only when holidays or occasional ill health prevented him from publishing, did folk comment on its absence.

Bob meticulously kept every copy of the Argus in files, an amazing historical record which we must not only preserve but also make available for general perusal.

The Community Council is very appreciative and thanks Bob most sincerely for his work and assures him that his abiding legacy will be the continuation of a community newsletter.

Anyone for Tennis?

Do you enjoy playing tennis? Fancy taking part in a friendly tennis event over the summer holidays?

If the answer is yes then this event is for you. As part of Auchterhouse's annual Sport Day, we are hoping to hold a friendly tennis tournament with the winner being presented with their prize at the Sports Day itself.

If you are interested, please email your name, age and gender by 1st of May 2014 to:
lilaccottage294@gmail.com

Auchterhouse Sports Day

Saturday 23rd August

This year's Auchterhouse Sports Day is shaping up to be a good one. We have decided to add a few events this year such as a tablet making competition, and a miniature garden competition, as well as the cupcake decorating competition introduced last year. All of the old favourites will still be there such as the hill race, children's races, adult races and potted sports.

Children can take part during the holidays by making their own homemade rockets for our all new "Rocking Rocket Competition". Rockets entered will be judged on their aesthetic design and the horizontal distance travelled. (Please note, no pyrotechnics should be used! Human powered only....) We are also hoping to hold a tennis competition over the summer holidays, with a prize for the winner being awarded at the sports day. Please see the separate tennis competition entry if you are interested.

The ceilidh will be held in the marquee in the evening to round off the day with some great fun, entertainment and community spirit.

If you would be **willing to help out with any of the stalls/events/activities** on the day or to set up the marquee on the Friday night, **please email kelliesmith47@aol.com** or come along to the **next meeting on the 1st of May at 8pm in the village hall.**

Village Hall Bookings

Auchterhouse Village Hall is available for bookings anytime throughout the year.

Community Council Update - January to March

Police matters raised by our community police officer Sean Scanlon

There is a need to be vigilant to fraudulent activities, - especially advanced fee fraud (where a person is asked to provide payment in advance of promised wealth/gifts/prizes etc). Wildlife crimes, such as deer poaching and hare coursing, are being carried out in our area, - very often by people with a criminal record. There have been thefts, or attempted thefts, from properties in Auchterhouse. Keep all doors and vehicles locked. Report anything suspicious to Police Scotland on 101 or Crimestoppers on 0800 555 111.

Road and traffic matters

The new road surface in Kirkton of Auchterhouse has given concern this winter. It is slow to dry out and liable to icing. Until the surface wears down a bit to give more grip all users will have to be cautious. Angus Council have agreed to replace the road drain in the Avenue and are budgeting for this in the next few years. The present drain can not cope with the volume of water coming from Tayside Forestry's christmas tree field there and this can cause a torrent of water to run down the Avenue in the event of heavy or prolonged rain. Every winter pot holes become a problem on our roads and this year has been no exception. The Brae, Bonnyton Road and Dronley Road have all received attention.

Communication with the public

Considerable amount of time has been spent discussing how to get information out to as many people as possible in order to consult the public on matters requiring their feedback. There was initially a poor response to the message sent out to every home (on a Christmas card), asking people to give their email address to comcouncil@auchterhouse.com.

Community Council Update - January to March

Communication with the public (continued)

By the use of email the CC hopes to reach most people. Social media networks will also be considered for possible use in future. The website www.auchterhouse.com and notice boards (in the village and at the road-end) will carry CC minutes and notice of events and consultations. A record will be kept of all communications to and from the CC on contentious issues, such as planning applications, which may impinge on many people so that an audit trail is achieved.

Auchterhouse Weather Station

The community council has agreed to give financial support to the station which is now in need of upgrading so that it can continue to provide valuable information to everyone without interruption.

Daffodils

The many daffodils in our village are for everyone to enjoy. Please resist the temptation to pick them. Thanks.

School and Community Garden

The School and Community Garden had a very productive season last year with bountiful veg and flowers. Members of the community were able to buy the vegetables and the children took home a good selection as the produce ripened. We've sown an area of grass and created a willow tunnel. Plans are well in hand for a sensory garden and a seating area. We also want to grow a wider variety of vegetables.

A self seeded sunflower which grew in the middle of the path was carefully watched over by the children, produced a mass of seeds which have been sown by them and are growing well. Hopefully these will produce a forest of sunflowers this summer. What a learning experience for us all.

If you would like to help in the garden, please join volunteers on Saturday mornings 10am - midday or phone me (320435) to arrange a visit to see what suits your availability, and is also outwith school hours. Any help would be much appreciated.

Also we would like to have a catchier name which encapsulates the work of the school and the community. Phone or email me at shionabaird@hotmail.co.uk

Afternoon Club

Every 4th Wednesday of the month the Afternoon Club meets at Auchterhouse Village Hall from 2-4pm.

Church Toilet

The Church has been given a legacy solely for putting a toilet in to the Church. The Session has thought long and hard about where to put it and how it ought to look, so as not to change the interior of our beautiful Church too much. There have been various suggestions, discussions, lay out and plans drawn up. This will not happen quickly. Once the final plan with location is agreed to, there will be approvals from various committees etc including the congregation, but it is going in the right direction. It is something that has been discussed as far back as when Rev James Hamilton was minister.

Church spring clean

This will take place on Saturday 10th May at 10.00am. This happens once a year when a group of us with mops and dusters give the Church a make over. If you are free that Saturday morning, please come and join in the fun. Tea and coffee supplied.

Open Farm Sunday

Open Farm Sunday has been held in the beginning of June for many years now and we are to hold our own Open Sunday for the farmers and those involved in farming in any way in the Church on Sunday 8th June at 9.30am. This is an invitation and opportunity to you all to come along and find out about the farms and farmers in your area. So please help to fill the Church with song and laughter.

Auchterhouse Institute of the Scottish Women's Rural Institutes (SWRI) meets on the third Monday of every month from September to May in the village hall at 7pm.

We are one of 39 institutes in the Angus Federation which stretches from Fowlis and Liff in the south to the top of Glen Esk. Each meeting comprises a short business meeting, then a speaker and supper afterwards.

We are active in federation competitions - we recently came second in the national rural curling competition, always take part in the rural pub quiz and this year put a collective entry in to the annual federation craft and produce show for the first time in some years. We hold a soup lunch in aid of CHAS each year and host the village Burns supper.
