Welcome to the third edition of the Auchterhouse Newsletter

This is our last newsletter for 2014 and features some festive content to get you into the Christmas Spirit. There will be 4 editions of the newsletter in 2015 in February, May, August and November. Please send any content/articles to aileenmbaird@yahoo.com.

If you are not already on our email distribution list please send your email address to aileenmbaird@yahoo.com.

We also have a Facebook newsletter page. Please use it to share details of any local events/groups or information that benefits our community.

Thank you to everyone who submitted articles for issue 3 and throughout 2014.

Community Council Update - June to October

Police matters raised by our community police officer Sean Scanlon

Everyone is reminded to be vigilant against fraudulent activity and in particular advanced fee fraud. There have been a number of thefts, and attempted thefts, in our area. Keep your property secure at all times. Leave a light or a radio on when not at home. Report anything suspicious to Police on 101 or Crimestoppers on 0800 555 111.

Road and traffic matters

Speeding on The Brae and The Avenue is a concern. Note reg numbers and report drivers to Police Scotland.

Notice Board

Jim Foote has made a new NB for Community Council information. This will be erected in the Hall grounds (near the road).

Community Council Membership

Grant Anderson has had to stand down from being a councillor. The 2 existing vacancies were filled by co-option in October by Liam Yule, Trungle Cottage, Tealing Road and Ian Clark, 7 Eastfield Steading. Liam and Ian are warmly welcomed into the Council. We wish them a happy time with us.

Clive Sayers

The council was greatly saddened by the death in August of Clive, who had been a member since October 2007. His service was much valued and he will be sorely missed.

Congratulations to Innes Skea

Innes did the colouring competition run by wave 102 to design a Halloween themed Skoda Yeti. After doing his design at school it was entered into the competition and we heard that he had made the final 3 against 2 other children from schools in Dundee. The final 3 then went to a vote which we were delighted that Innes won. The prize was a Halloween party for the school, £500 for school funds and Innes favourite prize, his design on the car which we got to keep for the weekend. He had a fantastic weekend showing it off to friends and family. We are all very proud of him as he loves any sort of art and drawing and to win such an amazing prize for our little school was brilliant.

Cherry's Deli has been visiting farmer's markets for a few months and is picking up some followers! We believe everyone should be eating real, whole, unprocessed food that tastes great... wherever and whenever possible.

With a passion for using real ingredients, we create tasty meals which don't contain any grains, gluten, dairy, refined sugar or legumes/pulses.

We prefer to focus on health rather than weight and use a simple approach to eat foods that are more healthy than harmful to our bodies. We're based in Auchterhouse and you'll find us at Forfar market on the second Saturday of each month. Watch this space for exciting developments in 2015!

The School Lane Garden

The good summer weather has been great for the School Lane Garden with crops of tomatoes, lettuces, cucumbers, courgettes, peas, potatoes, cabbages, and cauliflowers. Still to harvest are carrots, parsnips and Brussel sprouts and spring harvesting sprouting broccoli. The children come out on Friday afternoons in small groups to work in the garden and their enthusiasm is inspiring to see. The continued support of Mrs Burke, the head teacher and the other teachers, has been much appreciated and does give welcome encouragement to the increasing numbers of community helpers who come in on a Saturday morning. The photo shows the herb wheel, donated to us by Mrs Burke, set up and planted. The seating round it was excavated by P7s in the summer from the original tiny school garden in the playground.

We have taken on a large plot of land but seeing it develop and the excitement of the children as they watch their seeds grow is so rewarding. I am very grateful to the two new helpers who have joined the three original gardeners, many hands do indeed make light work. There is still plenty to do, so anyone wanting to lend a hand will be most welcome. Plans for the next season include fruit tree planting, more paths, development of the sensory garden and the building of a little garden house for the nursery children. DIY skills especially welcome.
